

## You think you can tackle climate change?

Join Europe's largest cleantech business idea competition

Does your business idea tackle climate change? And do you dream of becoming an entrepreneur?

Eilat-Eilot Renewable Energy Initiative was selected to lend a hand with facilitating Europe's Largest Cleantech Business Idea Competition- ClimateLaunchpad. We are excited to present this opportunity for you to join and be a part of this one-of-a-kind event.

We offer you a rousing ride to starting your own business:

- 2-day business Boot Camp;
- 6 follow-up Coaching Sessions where you'll learn to find your target markets and turn your idea into a business;
- a chance to pitch your idea in front of renowned national and international juries.

Europe's top-8 ideas win direct access to Climate-KIC Accelerator, the only EU business acceleration programme focused on cleantech commercialisation. The top-3 of the European Final win €2,500 to €10,000.

Check this inspiring [video](#) for an impression of the 2014 edition.

### Are you up for it?

You can apply if you have a business idea about sustainability and you have what it takes to become an entrepreneur. Your idea can be about an all-out mind shift in urban mobility, a sustainable transition in the food chain or any other way to tackle climate change. Even if your idea is still on the back of a napkin, you're most welcome to join.

### Enter now

[Submit your idea](#) today and let the games begin.

**ClimateLaunchpad is a Climate-KIC programme.** Climate-KIC creates opportunities for innovators to address climate change and shape the world's next economy.
